

Britt Nicole – *The Lost Get Found*

Hello my friend
I remember when you were
So alive with your wide eyes 'til the light
That you had in your heart was stolen
Now you say that it ain't worth stayin'
You wanna run, but you're hesitatin'
I'm talkin' to me

[Chorus]
Don't let your lights go down
Don't let your fire burn out
'Cause somewhere, somebody needs a reason to believe
Why don't you rise up now?
Don't be afraid to stand out
That's how the lost get found
The lost get found

[Verse 2]
So when you get the chance (When you get the chance)
Are you gonna take it?
There's a really big world at your fingertips
And you know you have the chance to change it
There's a girl in the street, she's cryin'
There's a man whose faith is dyin'
Love is calling you (It's calling you)
